To Whom It May Concern:

My name is Vickie Roge' and I am the Department Chair for the Technology Track, an Instructor of Technology and a Technology Student Association Advisor at the South Texas - Business, Education and Technology Academy (BETA) in Edinburg, Texas. It is my pleasure to write this letter of recommendation on behalf of Mr. Bryan O. Cancel.

I have known Bryan for two years. Bryan was my student his junior year in in my Web Technologies course in which he earned his challenging CIW Foundations Associate Certification. Bryan is a dedicated and reliable young man who is intelligent, organized, hard working and has a strong desire to learn. He excels in his academics and stayed very active in multiple extracurricular activities. Bryan was also chosen to be one of the few Technology Student Interns his senior year.

Bryan was a two year member and past Treasurer in our campus chapter of the Technology Student Association (TSA). For TSA Bryan led a VEX Robotics team, created a second VEX Robotic team for younger members, and created and led the TSA Webmaster Team to compete at the National TSA contest in Washington, DC. Bryan also volunteered to coach our first HESTEC Robotics Team of 9th graders in 2013. Bryan was an active member of the BETA National Honor Society in which he donated many hours of community service. In addition, Bryan works to serve others in his community through his local church.

Throughout his high school career at BETA Bryan has earned multiple IT certifications. He is IC3 computer literacy certified, an Adobe Certified Associate in multiple software programs, a CIW Web Foundations Associate (passing three high stakes examinations in CIW including Internet Business, Web Site Development and Computer Networking) and a Microsoft Office Specialist in PowerPoint 2010.

Bryan is a wonderful young man and will be an asset to any business who hires him. I am convinced that you will be very pleased with his performance. Please feel free to contact me with any further inquiries about Mr. Bryan O. Cancel.

Sincerely,

Vickie Roge'
